Eagle Transit is offering summer bus service to Glacier National Park through the Labor Day holiday Sept. 4.

The new bus service originates in Kalispell with stops in Columbia Falls, Hungry Horse and Coram before arriving at Glacier Park. The bus drops off at Apgar Visitor Center next to the free Glacier Park shuttle. There are morning and afternoon routes running seven days a week, which allow for spending a half day or full day to hike, picnic, sightsee and explore.

The last bus to Kalispell leaves the park after the last shuttle returns from Logan Pass. Fares are \$3 one way or \$5 round trip.

For more information about the summer bus service and a schedule, call 406-758-5728 or visit http://flathead.mt.gov/eagle.
